

Summer 2016

"A New Generation on a Firm Foundation"

"The steps of a man are established by the LORD, when he delights in his way;"
-Psalm 37:23

"Let's do breakfast Friday," said Pastor Denny Hunsinger from Three Springs PA. We drove out of the parking lot and came to a "T" intersection. He hesitated and then after a quick prayer for direction turned right. After driving 10 minutes another decision. Left or right? Another prayer and then a left turn and a few minutes later we arrived at a small restaurant for BREAKFAST! Great food followed by a great conversation and then as we were walking out we met a man. John Smith (Name changed) was a man who used to go to church. He got disillusioned with the way things were done there and slowly pulled away. With tears in his eyes, he described the battles with things in his life that he knew weren't right, referencing the song "It's a Slow Fade" by Casting Crowns.

"It's a slow fade when you give yourself away, It's a slow fade when black and white have turned to gray. Thoughts invade, choices are made, a price will be paid. When you give yourself away. People never crumble in a day. It's a slow fade, it's a slow fade."

We spoke with him for half an hour, and the visit ended with Pastor and I praying for him and encouraging him back into fellowship with other believers. WOW! God will direct us if we just allow him to direct our steps/turns.

One Saturday I (Lloyd) met a guy at a garage sale who had looked like he had a rough past. After a short conversation he admitted he'd been an addict. When I asked him, "What was your drug of choice?" he said, "More." He had done so much drugs and alcohol it made my head spin. He now had been clean for 7 years but he'd never met Jesus. He'd submitted his life to a higher power but didn't really know who that was. I ended up going out for coffee with him and sharing my story. He got my book and began reading it with his son. I showed him how to read the bible on his phone and he began a bible reading program. 2 days later I introduced him to a local pastor and he helped him to commit to Christ! The next day I received this text message from him: "Thank you Lloyd for helping me find a new beginning to a new path in my life. It was wonderful meeting you!" Praise God!

Thanks to all of you who have donated sacrificially to make this ministry possible! God makes those moments happen as I do what I'm called to do and you do what you're prompted to do. Your giving makes those kinds of differences in people's lives.

One final note, this summer while you have holidays etc. don't do the slow fade from the Lord. Stay close and encourage others to draw near to HIM. We love and appreciate all of you!

WHAT HAS GOD DONE?

Cathy lost in worship again. Her transparency in worship encourages us all to enter in.

Another great response to a call for freedom in Thompsonstown PA.

Cathy's singing at altar time is always a sweet atmosphere for Holy Spirit to usher in healing and freedom

Testimonies

1. A pastor told us that his brother-in-law had read my book and found that it was the best book he had read on getting free from addiction.
2. A man came up to me today and said that my testimony really affected his life. It helped him get on the right track again.
3. Another young man came up to me today and said that he had been struggling with porn for years and my testimony encouraged him to respond. He was very encouraged that you could actually get free!
4. One pastor said that our ministry really revived him personally. He remarked how Cathy's singing and worship were inspiring and encouraging to him.

"Anger and jealousy, you have no place here I command you leave in Jesus name!"

Pray with us for...

1. The Lord's guidance for the open dates in our schedule.
2. Lloyd, that would be Spirit led in his booking of churches.
3. Our trip to Holland June 21-July 5, 2016, that it would bear it's desired fruit. We have a booking in Rotterdam July 3rd. Pray for God's anointing on the audience and for freedom to flow from that meeting into the country. Praying for God's word to be in our mouth's and his actions to come through our lives.
4. Deanna and Drew's furlough to be refreshing and profitable to them.
5. Safety for travel and unity in our family.

Praise God with us for...

1. Lloyd's burnout/anxiety is way better. Returning to some foundational practices has really helped him, and his life coach has been a tremendous blessing.
2. Deanna and Drew (and thus our 2 grandchildren) are home for furlough for a year at least. Having the ability and privilege of holding and loving them has been great for all of us.
3. Great meetings this last with many saved and set free!
