

"A New Generation on a Firm Foundation"

Prayer really makes a difference....

I have a friend who has helped our ministry financially. For almost a year he

had NO orders for his product. He was getting closer and closer to having to shut down his business. We began to pray together for some profitable jobs to come his way. As a result he has just sold the 9th machine. God answers prayer!

I was struggling with discouragement in December, not sure if I could keep on going. I went for prayer with Cathy to a friend of ours who helps our ministry. She prayed with me (Cathy agreed with her in prayer) for about 2 hours and my discouragement left and hasn't been able to find me since. God answers prayer!

We were at a church in eastern Ontario and the secretary came in with a migraine headache. I prayed that God would loose the areas that were causing the pain and the next day she was much better and her chiropractor was able to adjust her back (She had had an accident and this was the first time he could adjust her since then) God answers prayer!

I'm sure if we could look back to where we are now, from eternity, we would ask ourselves, why didn't we simply ask God to do more. He said in his word, "Ye have not because ye ask not." James 4:2b.

"The effectual fervent prayer of a righteous man availeth much." James 5:16b I remember thinking when I read this, I wish I were a righteous man.... and the Lord told me, "Your righteousness is the righteousness of Christ. I put it in your heavenly bank account for you, the moment you believed."

I talked with a pastor recently and he asked me, "Is God in control? Is God's will always done?" I said, "Yes". He then said, "He doesn't seem to be doing a very good job!" I began to think about this and remembered the quote "**God does nothing except in response to believing prayer. ...**" The **little** estimate we put on **prayer** is evidence from the **little** time we give to it." E.M. Bounds ...

If God's will were always done, why would He ask us to pray in the Lord's prayer, "May your will be done on earth as it is in heaven." If His will is always done on earth I don't think this prayer would have any merit.

I have begun to pray more and am seeing many, many things take place that I'm praying about. Won't you join me?

What would you ask for if God said I will grant you everything you ask for in the next month...? If it's all material stuff, check your heart condition. If it's all about HIS kingdom you're on the right track. Let me know how you are doing. He said, "Ask of me and I will give you the nations.." Psalm 2:8

I just wanted to let you know what happened on Sunday.

On the way to church, our daughter was mentioning that something was bothering her eye. We asked a bunch of questions and just figured it was a floater or something. Then it came to mind about a migraine, so I asked her to tell me if it became a headache. At church, she said her head was starting to hurt, so I found a pain pill, gave it to her, but as the service progressed it got worse. She wanted to go home, I, selfishly, did not, but IN MY HEAD I wanted her to hold out until the end of the service so she could go up front, be anointed with oil, and have the elders pray over her (James as you know),

As my husband was praying with her, what was being said up at the front????? (My daughter now had a migraine. Then another lady said that she knew that my daughter needed to go up front to be anointed with oil -- at that moment, Lloyd called for those in need of oil anointing to come forward! -- WOW!)

I was so excited!!! and thankful of course, so they went up, oil was put on and she was prayed for. My husband said she also felt the presence of the Lord. She then went downstairs with the others right after and we continued on our day. THAT was Jesus, not the pain pill, cause we all know what migraines are like. Anyways, just wanted to share.

Elise practicing with the big people

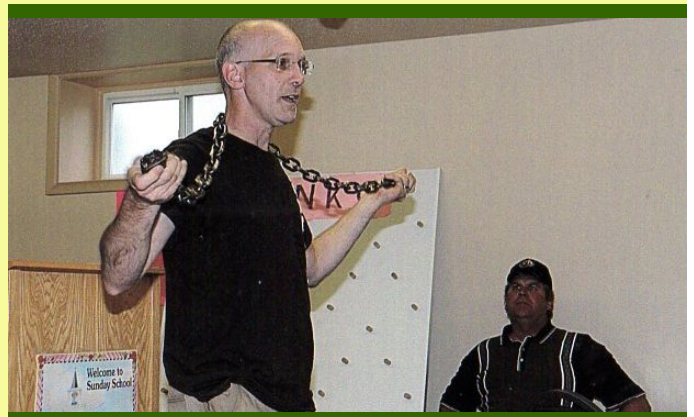

We were blessed to have Lloyd and Cathy and their family join us for a morning worship service. They did a great job leading worship, but we especially benefited from having Lloyd share key biblical principles on how to overcome addiction, specifically on pornography. It was good just to have issues like this addressed openly, but it was especially great to hear subsequent testimony of a guy in our church receive freedom and healing for his marriage because what Lloyd shared. *A pastor*

Norwood ON.

Seventeen years ago while travelling with the Phillips Family Geoff or Lloyd prayed for a man who (didn't even stand for prayer) was waiting for surgery for his jaw because it was locked "closed". After the prayer the jaw opened and he never needed to have the operation. Thanks for being obedient was the wife's response to us.

Thank the Lord for :

1. 16 bookings in the last 4 weeks
 2. Miracle financial provision in small churches lately
 3. Deanna and Drew are expecting our first grandchild after almost 4 years of marriage
 4. Garrett was blessed with a much needed set of headphones
- God has given me (Lloyd) a steady stream of joy for quite some time now and a real faith to pray and believe for great things
