

NEW generation MINISTRY

"A New Generation on a Firm Foundation"

Miraculous Provision

Going on the western with FOUR Sundays open! "How are we going to afford this tour?" cried my mind as I packed the bus. After 7 weeks of touring through mostly very small communities all our Sundays were filled and GOD met our need. Phil. 4:19 "And my God shall supply all your need according to His riches in glory by Christ Jesus."

Not saying the Devil's in the details but he must have a few demons in the tire demolition business. First just outside Geraldton ON a huge explosion and a bus tire was finished. Then outside Swan River MB. a rear tire exploded in a cloud of dust and ripped some finish off our 2008 Ford van! DO we need some new tires? Yes. Will God provide? He will! I'm not worried. I'm just smiling here thinking how He's going to do it this time. He's faithful you know.

The results this tour have been amazing. In seven weeks 89 commitments/recommitments to Christ and 370 responded to get free from addiction or bondage! (No wonder the enemy is trying to stop us!)

Tire trouble on the Western tour!

1. That our partners would be blessed financially and in all areas of their lives, beyond their expectations.
2. The completion of Lloyd's book on freedom
3. My sister's marriage (Lloyd) and other couples whose marriages are hurting.
4. The company we hired to help with bookings will do a great job and help us find more opportunities to minister
5. Direction for future bookings and clarity of what we should aim for as a ministry
6. Garrett totaled his car. He needs favour with the insurance company to see it wasn't his fault
7. New tires were needed

Praise Reports:

1. God's blessing on our first tour without Garrett
2. Garrett wasn't injured in his accident
3. No one injured when the van or bus tires blew up!
4. Financial needs met
5. Open doors this tour!
6. Continued Joy from the Lord for Lloyd. Since 2010 he hasn't struggled with depression or despair anymore! Praise God!

You are an extremely important part of what we're doing! You can help get this message of freedom to many more people. Your gift of \$25.00 or more on a monthly basis will help many more to hear. Won't you consider helping us! Thanks so much! Lloyd & Cathy

Testimonies September 2013

Winnipeg, MB

A man approached Lloyd in the parking lot four days after we ministered there. He said, "I came forward on Sunday and since then my life has been so much better, a total turn around!"

Winnipeg, MB

Lloyd spoke in a small meeting Sunday afternoon to mostly un-churched people. A man responded to the invitation to get free from addiction. He said, "I'm a bartender struggling with alcohol addiction, my girlfriend struggles with a gambling addiction. It was good for both of us to be here today. We need this!"

Fairford, MB

A lady was really touched by the Lord as we sang, "Holy Spirit Rain Down" She had been singing it earlier that day and was encouraged that the Lord led us to sing it. We don't normally sing this song anymore as it's not in our usual repertoire. She felt God was saying He would pour out His rain on their community

Swan River MB.

An older lady came by and said, "That was exactly what I needed" after Lloyd spoke on freedom.

Swan River, MB

The ladies director was pleased with Cathy's talk on "How to Have a Better Marriage" at the ladies Victorian tea on Saturday Sept 28th.

Evan has been taking over Garrett's job as drummer and leading the children's service while Lloyd preaches to the adults. He's doing a great job. ->

We had a great time with some old friends in Haileybury ON who were instrumental in getting us a place to minister in their town. They own the Leisure Inn and were over-the-top hosts while we were there. What a great place to stay. (Below)
