

"A New Generation on a Firm Foundation"

Time to get in the van," Lloyd called as I put the last of the groceries away. It was Monday, our day off, and we were headed out to have dinner with a couple from the church that we had ministered in the day before. Lloyd had done a men's retreat on the Friday and Saturday with many exciting reports of how the men were challenged to live a life of purity. Now, here we were in the afterglow, ready to rehash the weekend with this couple who seemed so excited about what God had done.

"The Spirit of the Lord is on me, because he has anointed me to preach the gospel to the poor..."

After a pleasant dinner, the conversation turned to their struggles. As they opened up, we could see this couple had a real need in their marriage. Digging a little deeper it became apparent many of their issues were rooted in past hurts. The unresolved pain was affecting how they viewed each other. We went out to their car and spent the better part of an hour praying through their painful memories, and watched in amazement as God brought truth to their hearts. What joy as we saw the pain being released and a sense of peace envelope their whole being.

"...he has sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind." Luke 4:18

This story and others similar has been repeated many times on this trip. We can see God expanding our ministry to individuals. We don't necessarily get paid for ministry like this but there is such a sense of satisfaction as we watch first hand God heal a heart. Your partnership with us paves the way for opportunities like this.

WHAT HAS GOD DONE?

Our hearts are continually thrilled as we see the power of God transform lives.
Praise God with us for these testimonies from our last trip!

The Trip Home- Another exploded tire failure on the rear of the bus, while traveling home from our fall tour (grrrrr). Shortly after the repair, Lloyd pulled into a rest area to double check the new tire. For some reason he also opened the engine compartment, and to his utter dismay he saw that the electrical panel had fallen down. Had we continued to drive and not notice this, we could very well have had an electrical fire. The frustration of delay saved us from greater harm. Thank God for his protection!

Portage WI

- After we ministered in Portage 2 years ago, a group of men began an accountability group and have been using Lloyd's accountability card. It has been very helpful to them.
- Another person in Portage shared that as a result of Lloyd sharing his story there 2 years ago, they were able to share their struggle with their spouse and have seen much victory in the area of purity in their relationship.
- This year we found out a woman lost a baby and was upset with God, but was able to forgive Him as a result of the question posed at the end of Lloyd's message, "Do you have someone you need to forgive?" Amazing how God uses us!
- A woman also reported that since she heard the message Sunday regarding forgiveness, **"There has been so much peace in our house. We can't believe it!"** Praise God!

Indiana

- From a church member- "Your message has brought them to a new place of freedom in Christ. Praise Jesus!"
- Another person wrote- "As for [John](name changed) and I, we see a difference too. We still have healing work to do, but Jesus continues to be patient with us and lovingly persistent to bring us to the place I know he wants for us. [John] feels freedom from sexual addiction and I can sense the change in him. I also have not had the images in my mind that I used to and that has been wonderful! I still struggle with my emotions... Clearly, God's not finished and I take heart in Philippians 1:6 "that he who began a good work in you will carry it on to completion until the day of Christ Jesus."

Thank you again for the work that you are doing! We pray for you and your family for strength and perseverance to continue

bringing this vital message to the church. So many Christians are living bound in chains that Christ died to break off of them. Thank you for being faithful to His call.

Kirsten and Evan have become quite the children's ministers; leading whole services by themselves!

Lloyd demonstrates how we can't receive more from the Lord unless we completely surrender all of the garbage that we are holding on to so tightly.

Without your help we could not have gone to these people's cities. The time we spent with them, seeing them receive truth and God renewing their minds, was made possible by your gifts. Thank you for partnering with us!

- **Your financial gift is helping heal hurting broken people.**
- **Your prayers are what keep us from getting discouraged when things don't go right!**

Pray with us for...

1. Open doors!
2. Wisdom and help from the Holy Spirit to know what to say and how to deal with the people who come to us with marriage and personal problems.
3. Safety on the roads.
4. Finances as we have no services/income for 5 Sundays in November and December

Praise God with us for...

1. Safety on our trip home despite the exploded tire.
2. Being able to see tangible results from our labors.
3. Opportunities to minister every week on the last tour.
4. Unity in our family and favor from the Lord.
