"A New Generation on a Firm Foundation"

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."
 -Galatians 6:9

Small places....

"A very small church on a Sunday morning," I thought..." Is this really where God wants us this week? Doesn't He want me to reach the masses, or do I not have what it takes anymore?"

Thoughts like these flowed through my mind as we neared the town. This church had seen better days. It was well kept but poorly attended. The pastor had planned a men's meeting for the Saturday night. I wondered, "Why bother for 3 men".

My attitude was less than stellar, but after some prayer, I went inside and, to my amazement, there was about 12 guys there. We had a great time! I spoke very directly to the men concerning integrity and marriage. After the meeting, one man called me aside. "The reason you're in this town is FOR ME!" he said.

I arranged to meet him later and found he had major problems in his life, and I was able to give him some godly advice along with some great books to read. I spoke with him again after about 2 weeks and asked him how things were going. He practically shouted, "So much better! Thank you, thank you, thank you!"

God does great things for those who obey

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."
 -Galatians 6:9

Thank you, to those of you who help us financially, enabling us to travel to some of these small, out of the way places that we can't technically "afford" to go to. Your sacrifice has helped so many! If you have partnered with us in the past and you haven't given in a while, don't forget: your partnership with us is what makes these stories happen!

WHAT HAS GOD DONE?

Testimonies

"You preached at our Men's Group and church Sunday and I thank God for the words you spoke. I am a very prideful man and your teaching broke me wide open which I desperately needed. After accepting your altar call I walked out feeling re-focused as a Godly man and completely re-committed to the path God has laid out for me. Thank-you!

So proud of how Kirsten has stepped up in leading worship!

Now I am typing out all the papers you handed out and notes I made to "build a fortress", as you said, to keep my purity and freedom in front of me for the rest of my days, Lord willing. Your point about planning and removing poison is spot on. It's refreshing to hear this put so bluntly in today's society. In terms of sin, it is so clear to me now to see that we do it to ourselves and need to be strategic in our thinking and that God wants us to be humble and focused on being accountable to one another. You will be in my prayers as you fight for men out there."

"I thought I would write to you and at least thank God for his amazing grace. You came to Welland ON. a number of years ago and on Sunday night you spoke about forgiveness and why it was so important for our lives.

I was married with three kids when my wife decided that she would rather be with someone else. What transpired was a very bitter custody fight and divorce process. Because of the circumstances there were three individuals who had torn my family apart from within....I had a right to be mad. I knew in my head I would have to let it go at some point....but not yet.

That night it was like God was speaking directly to me about the forgiveness that was required to move on. I stood to my feet at the invitation and asked God to deal as he chooses... my choice was to willingly forgive them all.

The immediate peace that came was amazing. I had made a choice for me that I knew was pleasing to God. I am so glad that Lloyd came to our church that day. The message he brought changed me.

I now lead Divorce Care groups and help others through separation and divorce issues. My favorite lesson is forgiveness. I always tell my story of how God used you to speak into my life and tell everyone the power that is contained in forgiveness. "
