

Winter 2015/16

"A New Generation on a Firm Foundation"

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."

-Galatians 6:9

God has your number....

After living in a state of deep frustration due to his addiction for over 20 years John Smith* decided he'd had enough. His wife had asked countless times over the years, for him to go to church and get help until she finally gave up. He concluded God was not interested in helping him.

Sunday morning he woke and announced to his startled wife, "We're going to church today!" "Where?" she questioned. "Assembly of God," he concluded as that's where they'd gone 20 years before. He opened the phone book and found the nearest AG church, and made his way there. To his amusement the local pastor was not preaching that day but some "guest speaker."

John's plan was to get in, get out and don't get too engaged, BUT the speaker that day had a message that drilled him right between the eyes. After the meeting his wife wanted to get the speaker's book. While purchasing the book the story of the brokenness came out.

Ministry was arranged with the couple and hope for their "Journey to Freedom" was reborn. God had this man's number. He left knowing God was not only "interested" in him but wanted to "set him free".

God has been stirring up fresh vision in our hearts. He's leading us in a new direction to provide resources for the many addicts who are asking for them. We have a number of projects in the works and are so excited to watch the ministry expand. Would you consider helping us in this new addition with a dollar a day. We would like 5 new partners by the year's end. Will you be one of them?

- Lloyd

Galatians 6:9

"So let's not allow ourselves to get fatigued doing good. At the right time we will harvest a good crop if we don't give up, or quit."

WHAT HAS GOD DONE?

Testimonies

1. During a recent service a man came to the altar as God was dealing with him about holding grudges. Providentially, the person who came to pray with him was the very one he was currently struggling to forgive. They prayed together and then made plans to get together the next night for coffee to talk extensively.

2. After speaking on forgiveness at a particular church a lady shared with us God was doing a deep work in her. Her son was getting help for a sexual addiction. As happy as she was that he was dealing with his problem, on this morning, as the call was given she realized she was the one that needed to change. "God was showing me I needed to forgive my son. I thought I already had but he was taking me to another level".

3. Dear Lloyd, Our brother has been walking free in so many areas of his life. Thank you for your ministry! Bob

Cathy's speaking is a real encouragement to other women

4. Hi, Brother Lloyd,
Just read your book through and want to say thanks for writing it. Amazing that no matter our age or life experiences we are all always vulnerable to temptation. Praying to apply all that I have read. God bless your ministry. Gil

Your faithful prayers and financial support enable these testimonies to occur. Thanks to all of you who pray and faithfully contribute to this ministry. As the new year approaches would you consider putting this ministry on your daily/weekly prayer list. If you're not already doing so would you pray about supporting us in the coming year?

Thank you! Lloyd, Cathy, and the family
