"A New Generation on a Firm Foundation"

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."

-Galatians 6:9

Romans 8:14 "For all who are led by the Spirit of God are children of God."

"Lord, let me be Holy Spirit led in all I do," has become my prayer. Last summer I watched a testimony of a 26 year old guy who had been deeply into the new age movement. Raised in a Christian home, at sixteen he began testing other belief systems. He became a teacher of New Age and spirit science. This, seemingly, did him well as his website was making him large amounts of money. One day, feeling quite lonely and looking for answers, he asked God to make his presence known. He felt such a love and peace come into the room. This was something he had never felt as he delved into spirit science and metaphysics.

About ten months ago he put his faith in Jesus; his life did a dramatic turnaround, growing in faith. Some wicked things done while in the New Age made him despise himself, even to the point of self-hatred. He **couldn't** accept or love himself because of this. While having lunch with him I asked, "**What would happen if you did love and forgive yourself?**" He paused for a long time, and then slowly a smile spread across his face.

"I can. I just did!" Tears came as the love and forgiveness of God overtook him. God's grace not only brought forgiveness and salvation but instantly healed a troubled mind of self-loathing and guilt.

How did I know to ask that question? The Spirit knows all things. The closer I walk with Holy Spirit, the more I hear what He says and see what He does. "Thanks, God, for letting me be your instrument on that day."

Because of your support we are able to take advantage of opportunities like this. If this young man could speak to each of you here's what he'd say. "Thank-you, thank you, thank you!" Thanks to your support of New Generation, another person is now free! *Lloyd*

WHAT HAS GOD DONE?

Testimonies: Fall Western Tour

After sharing on “What Makes a Family Strong?” in Brandon, MB a few young people were asked, “What did you like best about the message?” One answered, “When Lloyd apologized to his daughter.” Another said, “I liked it when the kids were allowed to take away the phone from the dad if he used it during dinner.”

Another lady, upon hearing that Lloyd apologized to his kids if he did them wrong, was strongly touched by his story. She had been a hoarder and her daughter had de-cluttered her house after she had surgery so she could fit a walker in. She was furious with her daughter which caused a rift in their relationship. She went home and apologized to her daughter bringing healing and reconciliation. We praise God for these great stories of what a simple truth can do.

Sharing the platform with the entire family in Brandon MB. The message, “What makes a family Strong?”

Lloyd preaching in the Netherlands in July with his cousin Ben doing a GREAT job interpreting.
