**"A New Generation on a Firm Foundation"**

*"But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."*

*- Matthew 6:33*

**Mission 66**

Update– WOW!

By the time most of you get this letter Lloyd will be on his way riding his bicycle from Chicago to Santa Monica. We are so pleased with the way the Lord has provided for this mission trip! Over \$8,000.00 has come in with another \$1,000 pledged!

To follow and get updates on the trip, "like" **Mission 66** on Facebook or email Lloyd at [lloyd@ngministry.org](mailto:lloyd@ngministry.org) and he will email you updates regarding the trip.

On another connected front, Lloyd was praying for another real temporal need in our finances. Each day he would bring it to the Father in prayer, and one morning, God impressed something on Lloyd's heart.

"You have unsaved family members and relatives that are not going to heaven correct?" (Now, I know when God asks a question He's not usually looking for information). Lloyd's reply: "Yes."

"So, you're lifting this 'TEMPORARY' need to the Father every day and not lifting them up to me instead.... "

After that, every time the temporary financial need came to Lloyd, he would lift his family members up to the Father instead of the other. Within a VERY short period of time the temporary need was taken care of.

The scripture that comes to my mind is Matthew 6:33 "Seek ye first the KINGDOM of God and his righteousness and all these THINGS will be added unto you.

Lloyd needed a reminder that if we put God's priorities first he will take care of the other details.

# WHAT HAS GOD DONE?

**“Thank you for helping me find freedom from my sins!”**

## Stayner ON

“Hi Lloyd: thank you for both your messages Saturday and Sunday at Clearview Church. This isn't my normal church, I live 50 km away. Two days before, after listening to another preacher, I prayed for a miracle to change my mind toward my lust. I have been married to a beautiful woman for 33 years and have still been looking at women wrong. I love her and she deserves better. Thank you for helping me find freedom from my sins. Thank you for being the miracle that I prayed for. Thank God he has given you the ability to share. Your brother in Christ L”

“Thanks for your ministry! I’m so glad that I had the opportunity to meet you and your family last year! As we’ve been stepping out in faith, we’ve thought of you and your family and it’s been an encouragement to us. Specifically as my wife and I were praying about housing she said to me, “Something Lloyd said stuck with me.’ Where there are no oxen the stable is clean, but wealth is produced by the power of the ox” Which of course is from Proverbs. Based in part on that we decided that rather than purchase a single family home we’d purchase a home with an apartment so that we can have income from the property which will enable us to accomplish more ministry and to be more generous. I’ll let you know how the rest turns out. Thanks for blessing us! - Brian”

“Was an amazing teaching day for both services , forgiveness and fear. I purchased a book for someone I know who is struggling with addiction . Wonderful gifted family , great music ministry as well , God bless this traveling ministry - Phyllis George August 2017 “

## Paris ON

Kirsten is now finished high-school and is thinking teaching is in her future. She found a job and is saving to attend YWAM (Youth With a Mission) in January. We had a great day celebrating her achievement and pray God’s best on her future.

### Pray with us for...

1. Mission 66: (See front page) Safety as Lloyd and the other 5 men bike, God’s leading as we share the good news, open hearts of people we meet and provision for the trip.
2. God’s guidance and blessing on Kirsten as she leaves the ministry to pursue her own calling
3. Revival in Canada and the USA.
4. Open doors for the ministry

### Praise God with us for...

1. A great Summer tour with safety along the road.
2. God’s continued provision for the ministry
3. The vehicles continuing to run well.
4. The Lord leading Lloyd to a great generator mechanic who helped him diagnose the problem with the bus generator. It is all fixed again and only cost \$350.00.
