

NEWgeneration MINISTRY

Pray for us, too, that God will give us many opportunities to speak about his mysterious plan concerning Christ.
- Colossians 4:3a.

Why no booking Lord?

I worked and worked to book the date, but no matter what, it never worked out. So, we went to church as participants that day.

I was volunteered for the greeting team, so after corporate prayer I went to my station and began greeting people. It was a slow time so I began conversing with a young man sitting in the back row. John* (name changed) was in his early 30's and was visiting for the first time. He had been on the streets and came into the place where we gathered to escape the cold. The music drew him to where we were.

As I conversed with him, he shared his struggle with alcohol. He had made a commitment to Jesus Christ about 8 months ago. Un-dealt-with emotional pain from the past caused him to medicate with alcohol.

As I began to share my story of my journey to freedom he listened with a very open heart. I was thinking, "I should just get him to go to the website and watch the whole testimony". As those thoughts went through my head I felt impressed by the Lord to continue to share the whole story for him right there.

It was like the Lord was saying, "You normally share your story with a whole crowd on Sunday morning, but today you will share it with one man whom I really love". It occurred to me that God cares about the INDIVIDUAL, not just the crowd. That God would love the demoniac in Luke 8:26-39 enough to walk on water, take His disciples across a stormy sea, and go for JUST ONE, I can see how much God loves and cares for the INDIVIDUAL.

You may think, 'Why am I where I am right now? What is God's purpose? I'm certainly not reaching many people here...'. God may have you where you are for JUST ONE person. Don't let the opportunity escape you because of the lack of glamour in the moment. God has a different economy than we do. One sharing with one can equal MANY, MANY, MANY touched by his love.

WHAT HAS GOD DONE?

Thanks for Listening to the Lord

This testimony was written to me from a lady in PA and is being shared by her permission in this letter;

“Many years ago when you came to Lighthouse Christian Fellowship the Lord used you to set me free from a sinful habit that I had carried for years. It constantly made me feel guilty and ashamed. That day you prayed and the Lord released me from the habit to this day. It was connected to my sexual abuse from the past.

This time the Lord spoke to me about over-eating and sabotaging any diet I went on because of NOT wanting to look too good. I didn’t want attention directed to me. This again was connected to the feeling of the sexual abuse from the past.

I am trusting God to see me through to victory in this as well. Thank you for obeying the Lord “

The Lord’s leading

On a Friday night in a Celebrate Recovery meeting I was supposed to speak on freedom. I asked the leader if I could change my topic and they agreed, so I shared on forgiveness instead.

I met a guy with no legs. He had been standing behind his car when a drunk driver slammed into his trunk, severing both legs. This message really ministered to him. He had been dealing with addiction and forgiveness was a part he had really been struggling with. Another couple in that same meeting who had really been struggling in their relationship shared how the message was exactly what they had been needing to hear. Thank God for HIS leading!

Pray with us for...

1. Continued safety on the roads as we travel.
2. God’s blessing and safety on our tour through Australia!
3. God's leading for Evan as he graduates this summer.
4. Lasting change and freedom for those who responded to the message on this trip.

Praise God with us for...

1. The testimonies of those who have heard us in years past and have been set free and continue to walk in truth. Hearing people's stories and knowing that God is truly changing lives is what keeps us going.
